*We want to thank the 363 officers representing 79 agencies statewide for their participation. This holiday weekend enforcement was successful. We are hopeful that this was a small step in the direction of reducing the number of impaired drivers on the road and thus reducing the number of crashes and fatalities.*

*The new focus on a high visibility media campaign with high visibility enforcement efforts appears to be a successful model.*

*We would lastly like to thank all of the volunteer organizations that participate at these events, MADD, SADD, and the Archangel Foundation. They provide food and support to the officers during the mobilization.*

*Thanks again to the print and electronic media for their intense coverage of the DUI mobilizations. Your participation helps us in our efforts to reduce the number of impaired drivers on the road.*
